

Philip Schütte

June 24

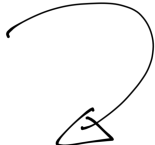

A very short selection of projects and clients

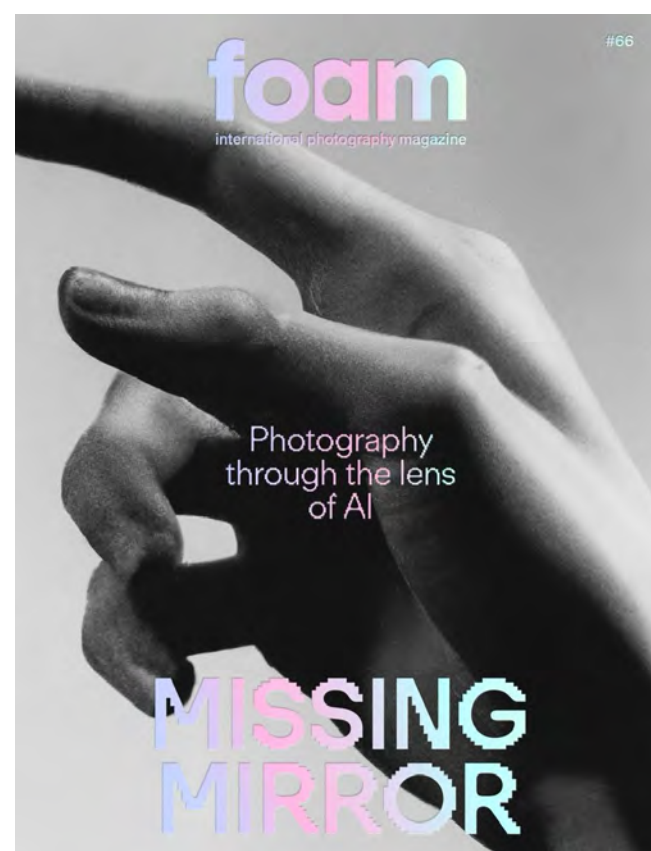

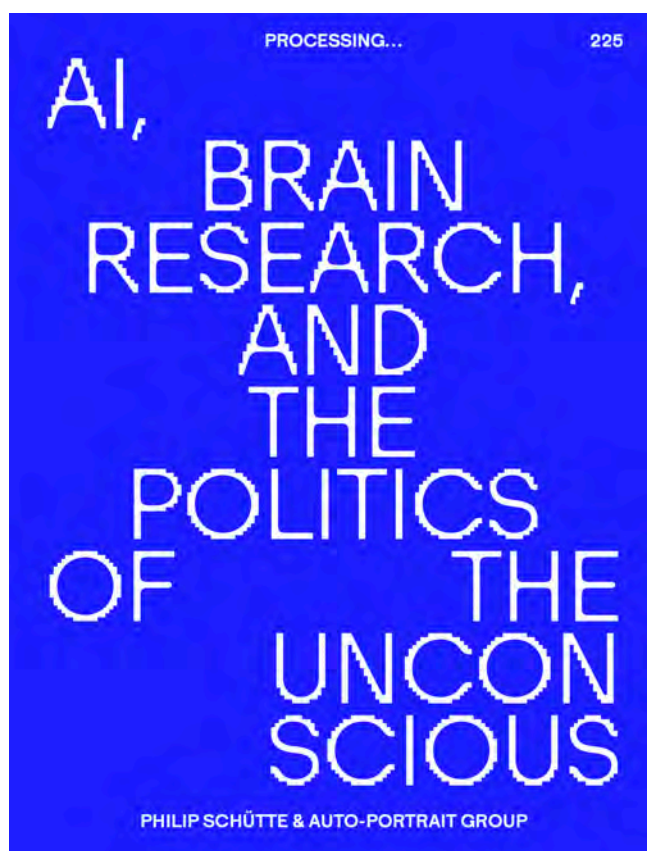

# Autoportraits

Self portraits and other self related images generated from fMRI data.

Made with the Autoportrait group.

Currently on view at  **foam**  
all about photography

More detailed information can be found here. 

# Kunsthhaus Zug

Transformation project  
with and for the  
lovely Matthias Haldeman.  
Thank you for your trust.

## Menu

with the wonderful:

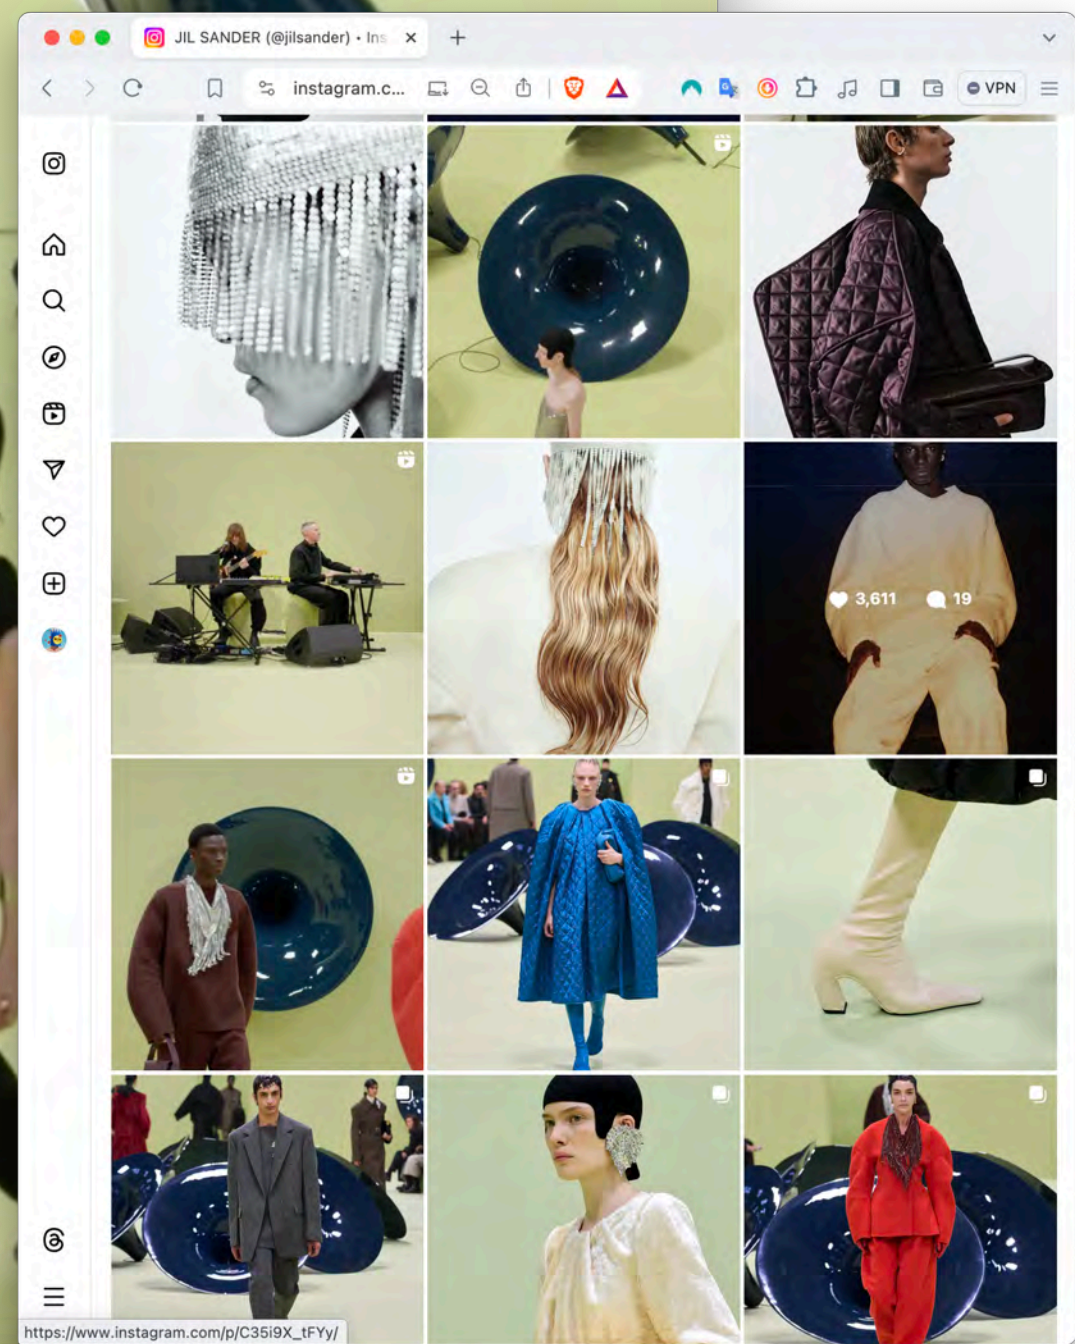

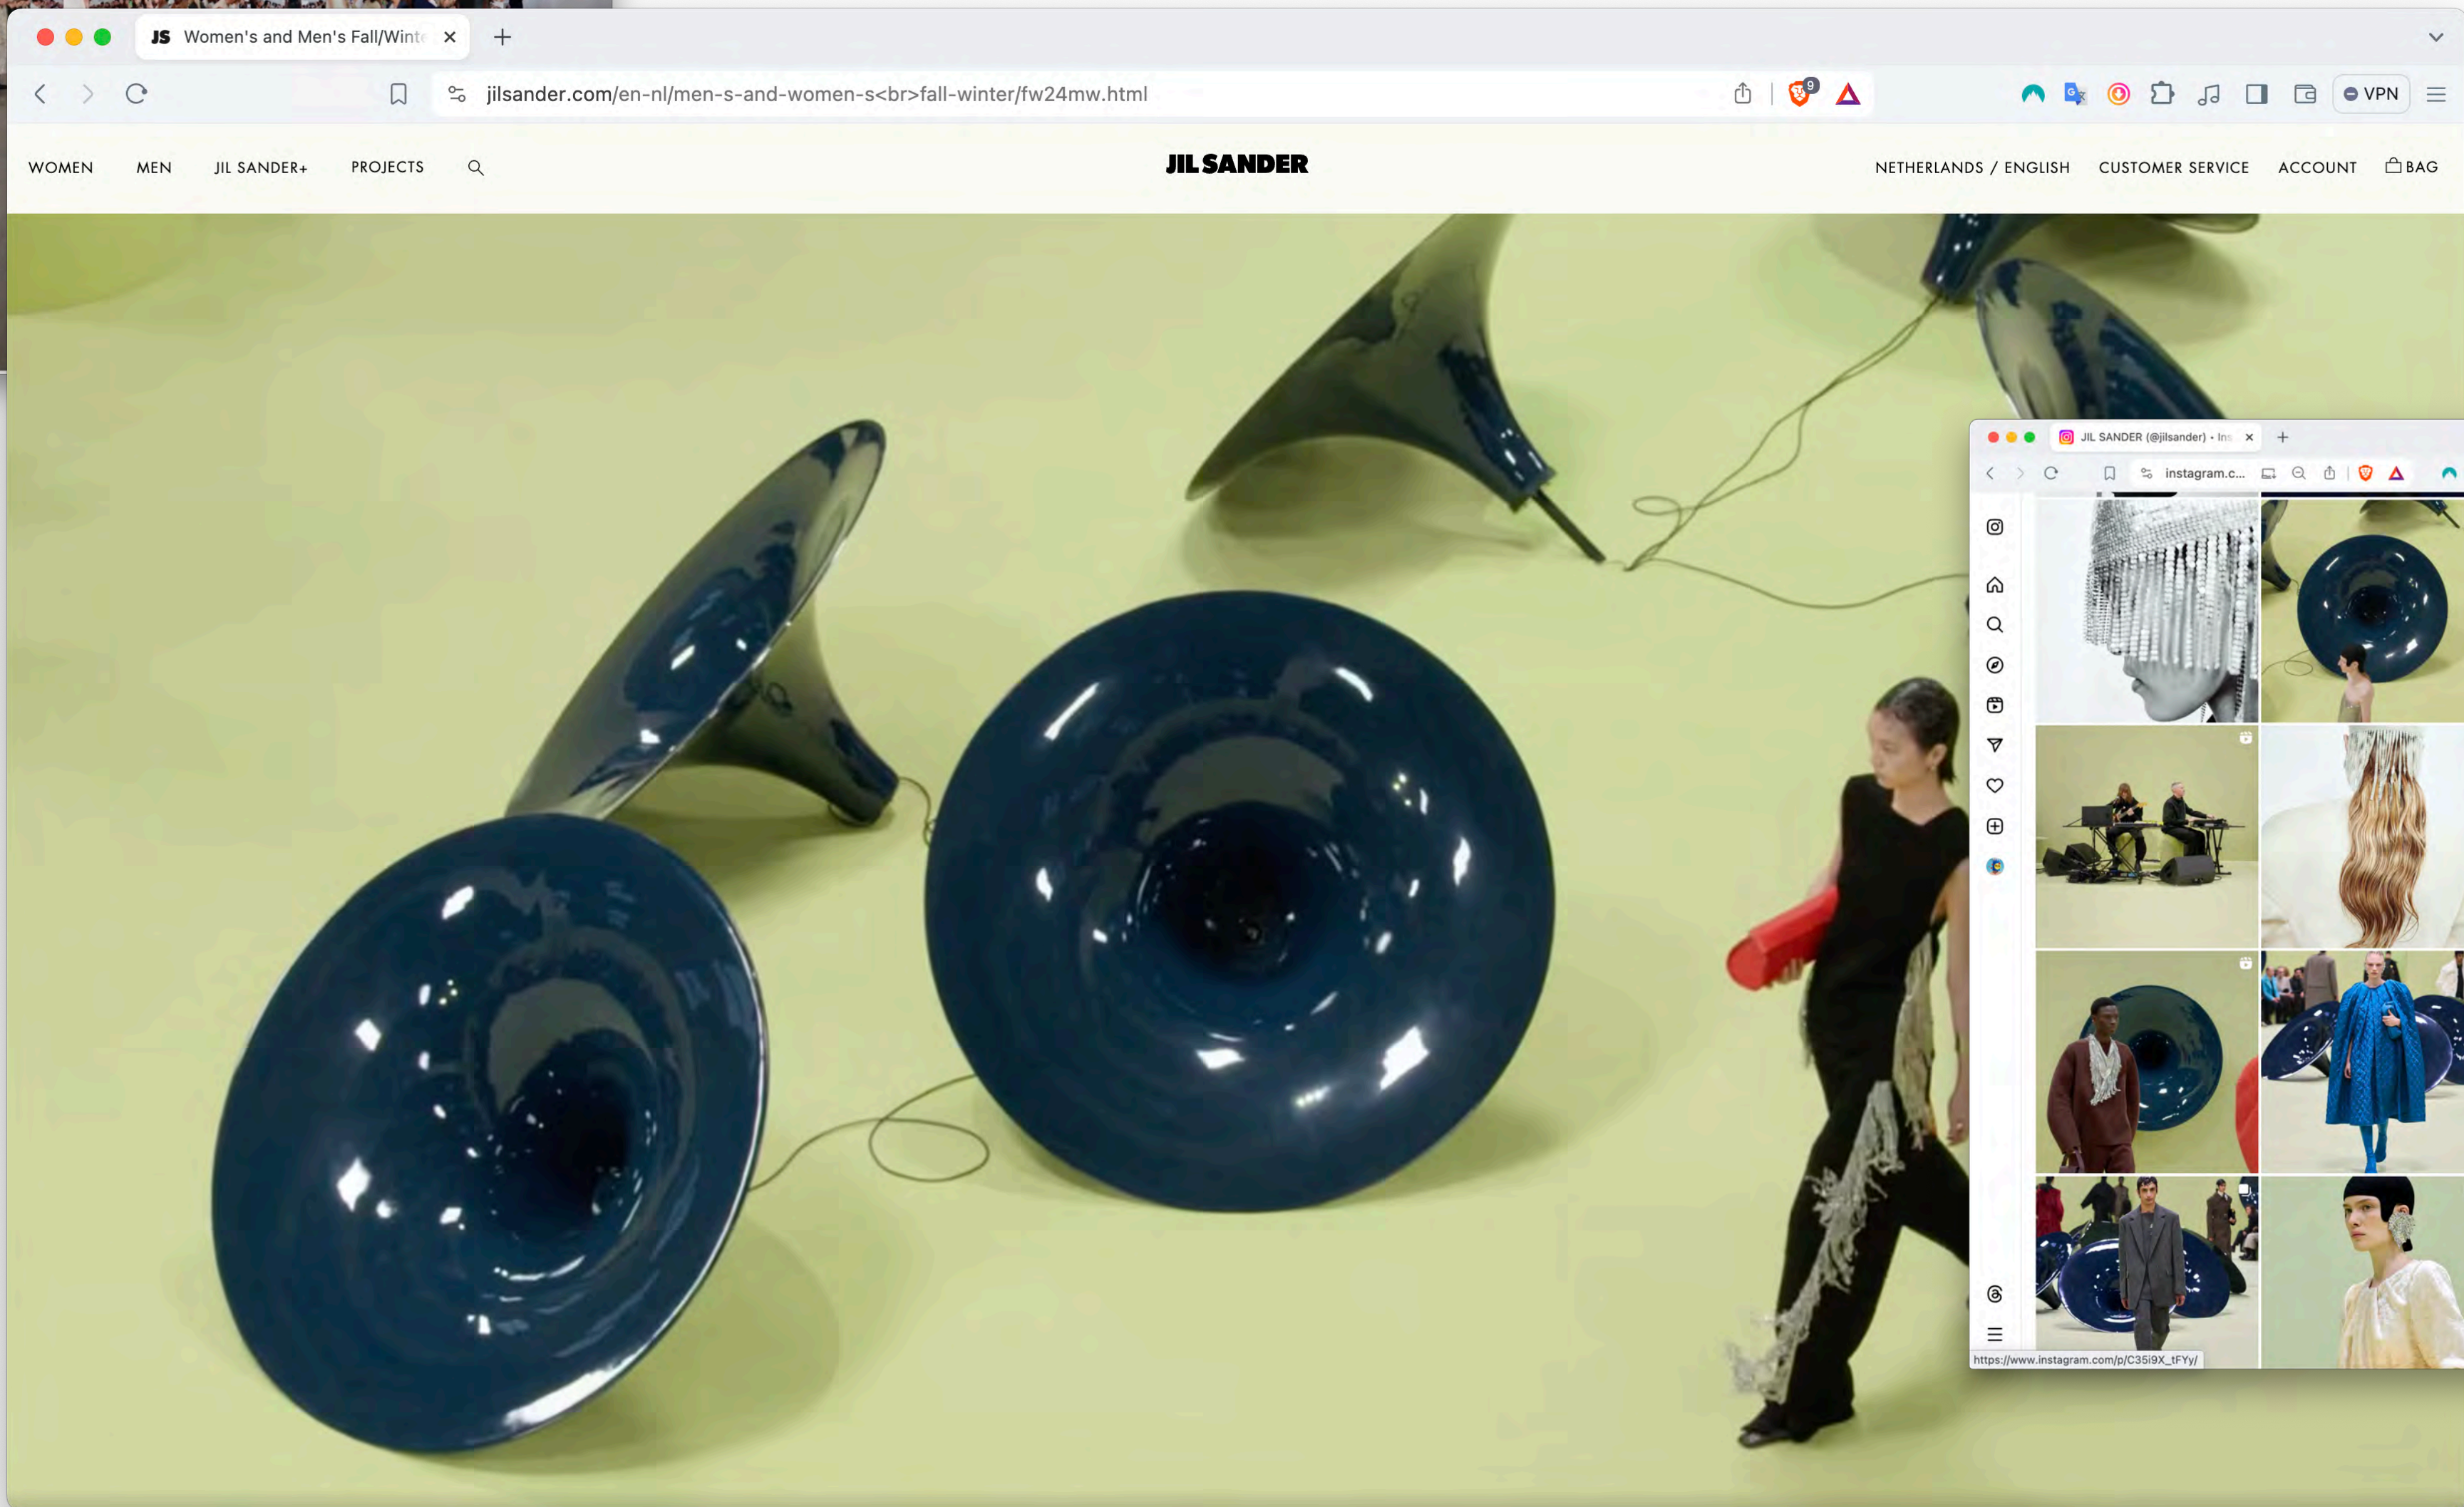

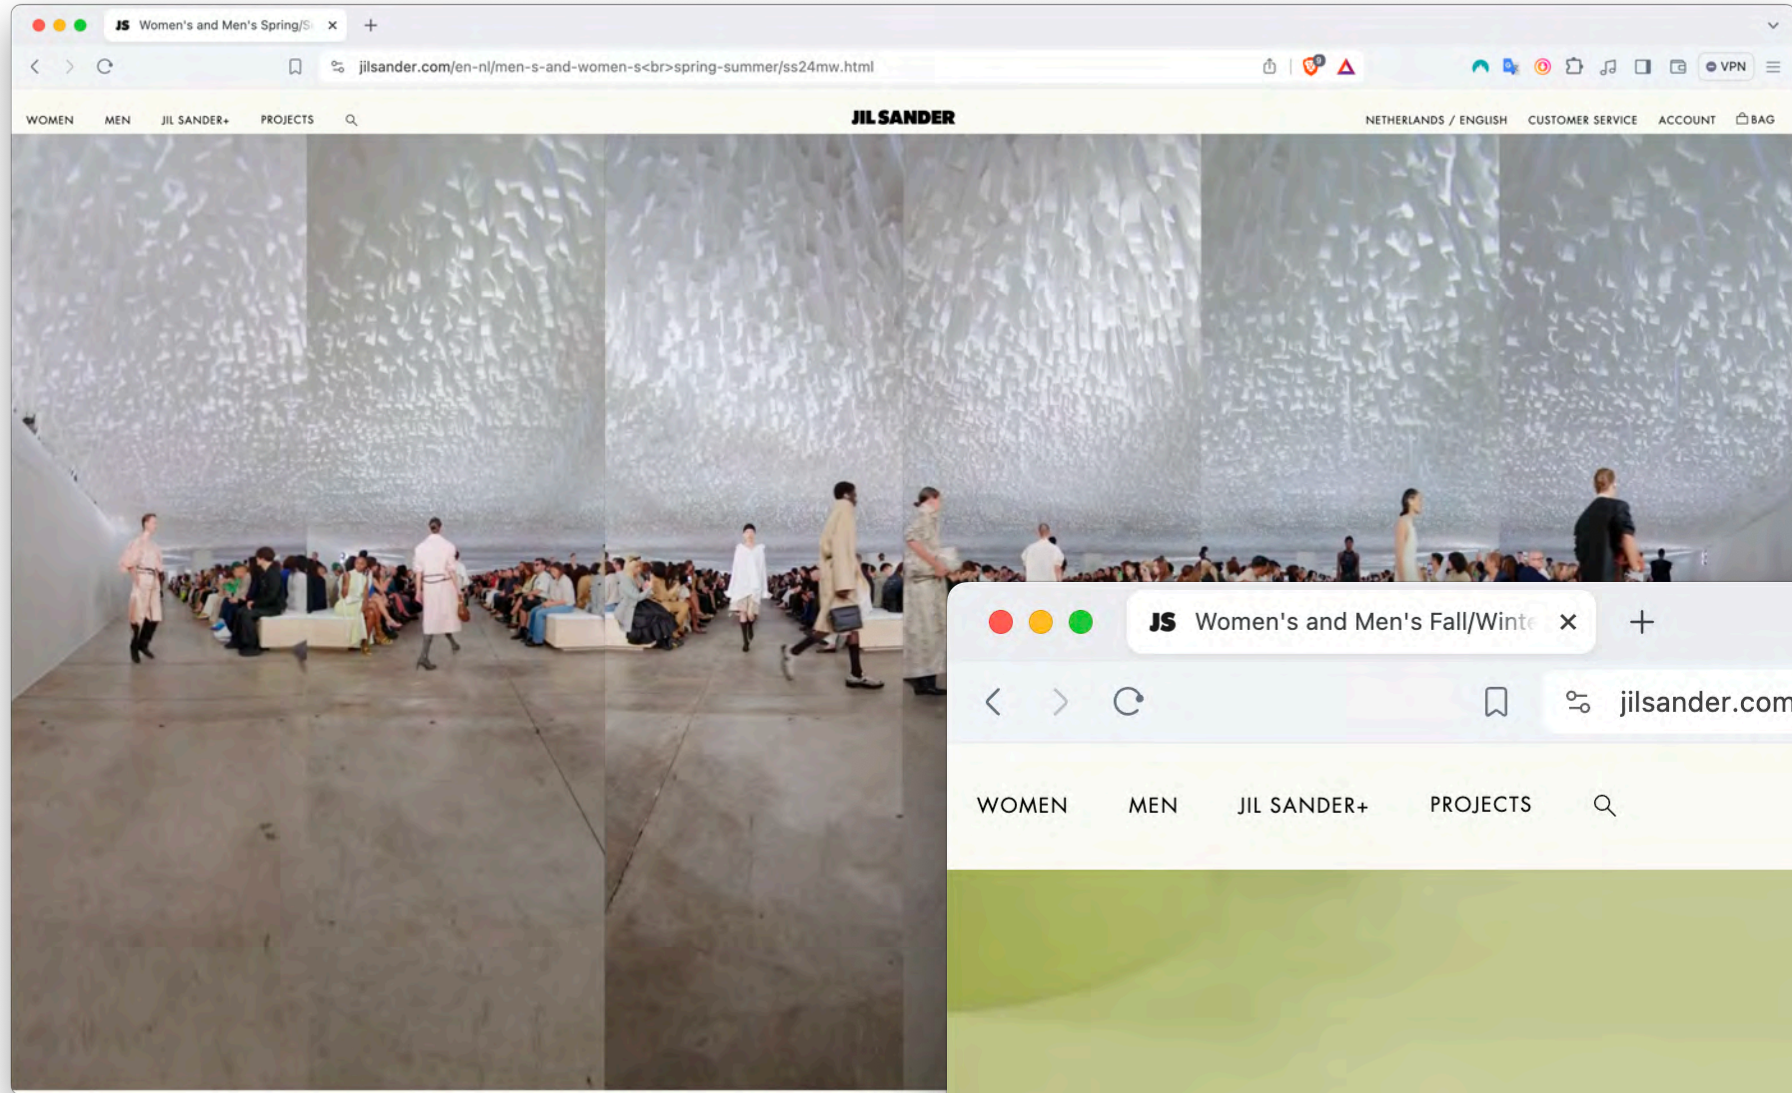

Anne Büttner  
Sander de Vogel

& Thijs TTT

and

Sebastian Behnam and  
Olaf Eliasson from  
Studio SOS

FAM

experimental \* creative  
and adventure unit started  
with the lovely Marko  
Purkizant and many many way  
talented people

# FORMATS AND MECHANISMS

Kindly looking  
for a place &  
commission for this  
work:  
Solar eclipse for one.  
Please click for the  
explainer video.

Sun  
2017

Installation that allows anyone to  
move the sun through manipulating  
a shippy ball.

This work has been shown all over  
the world. And I am very glad it  
continues to do so.

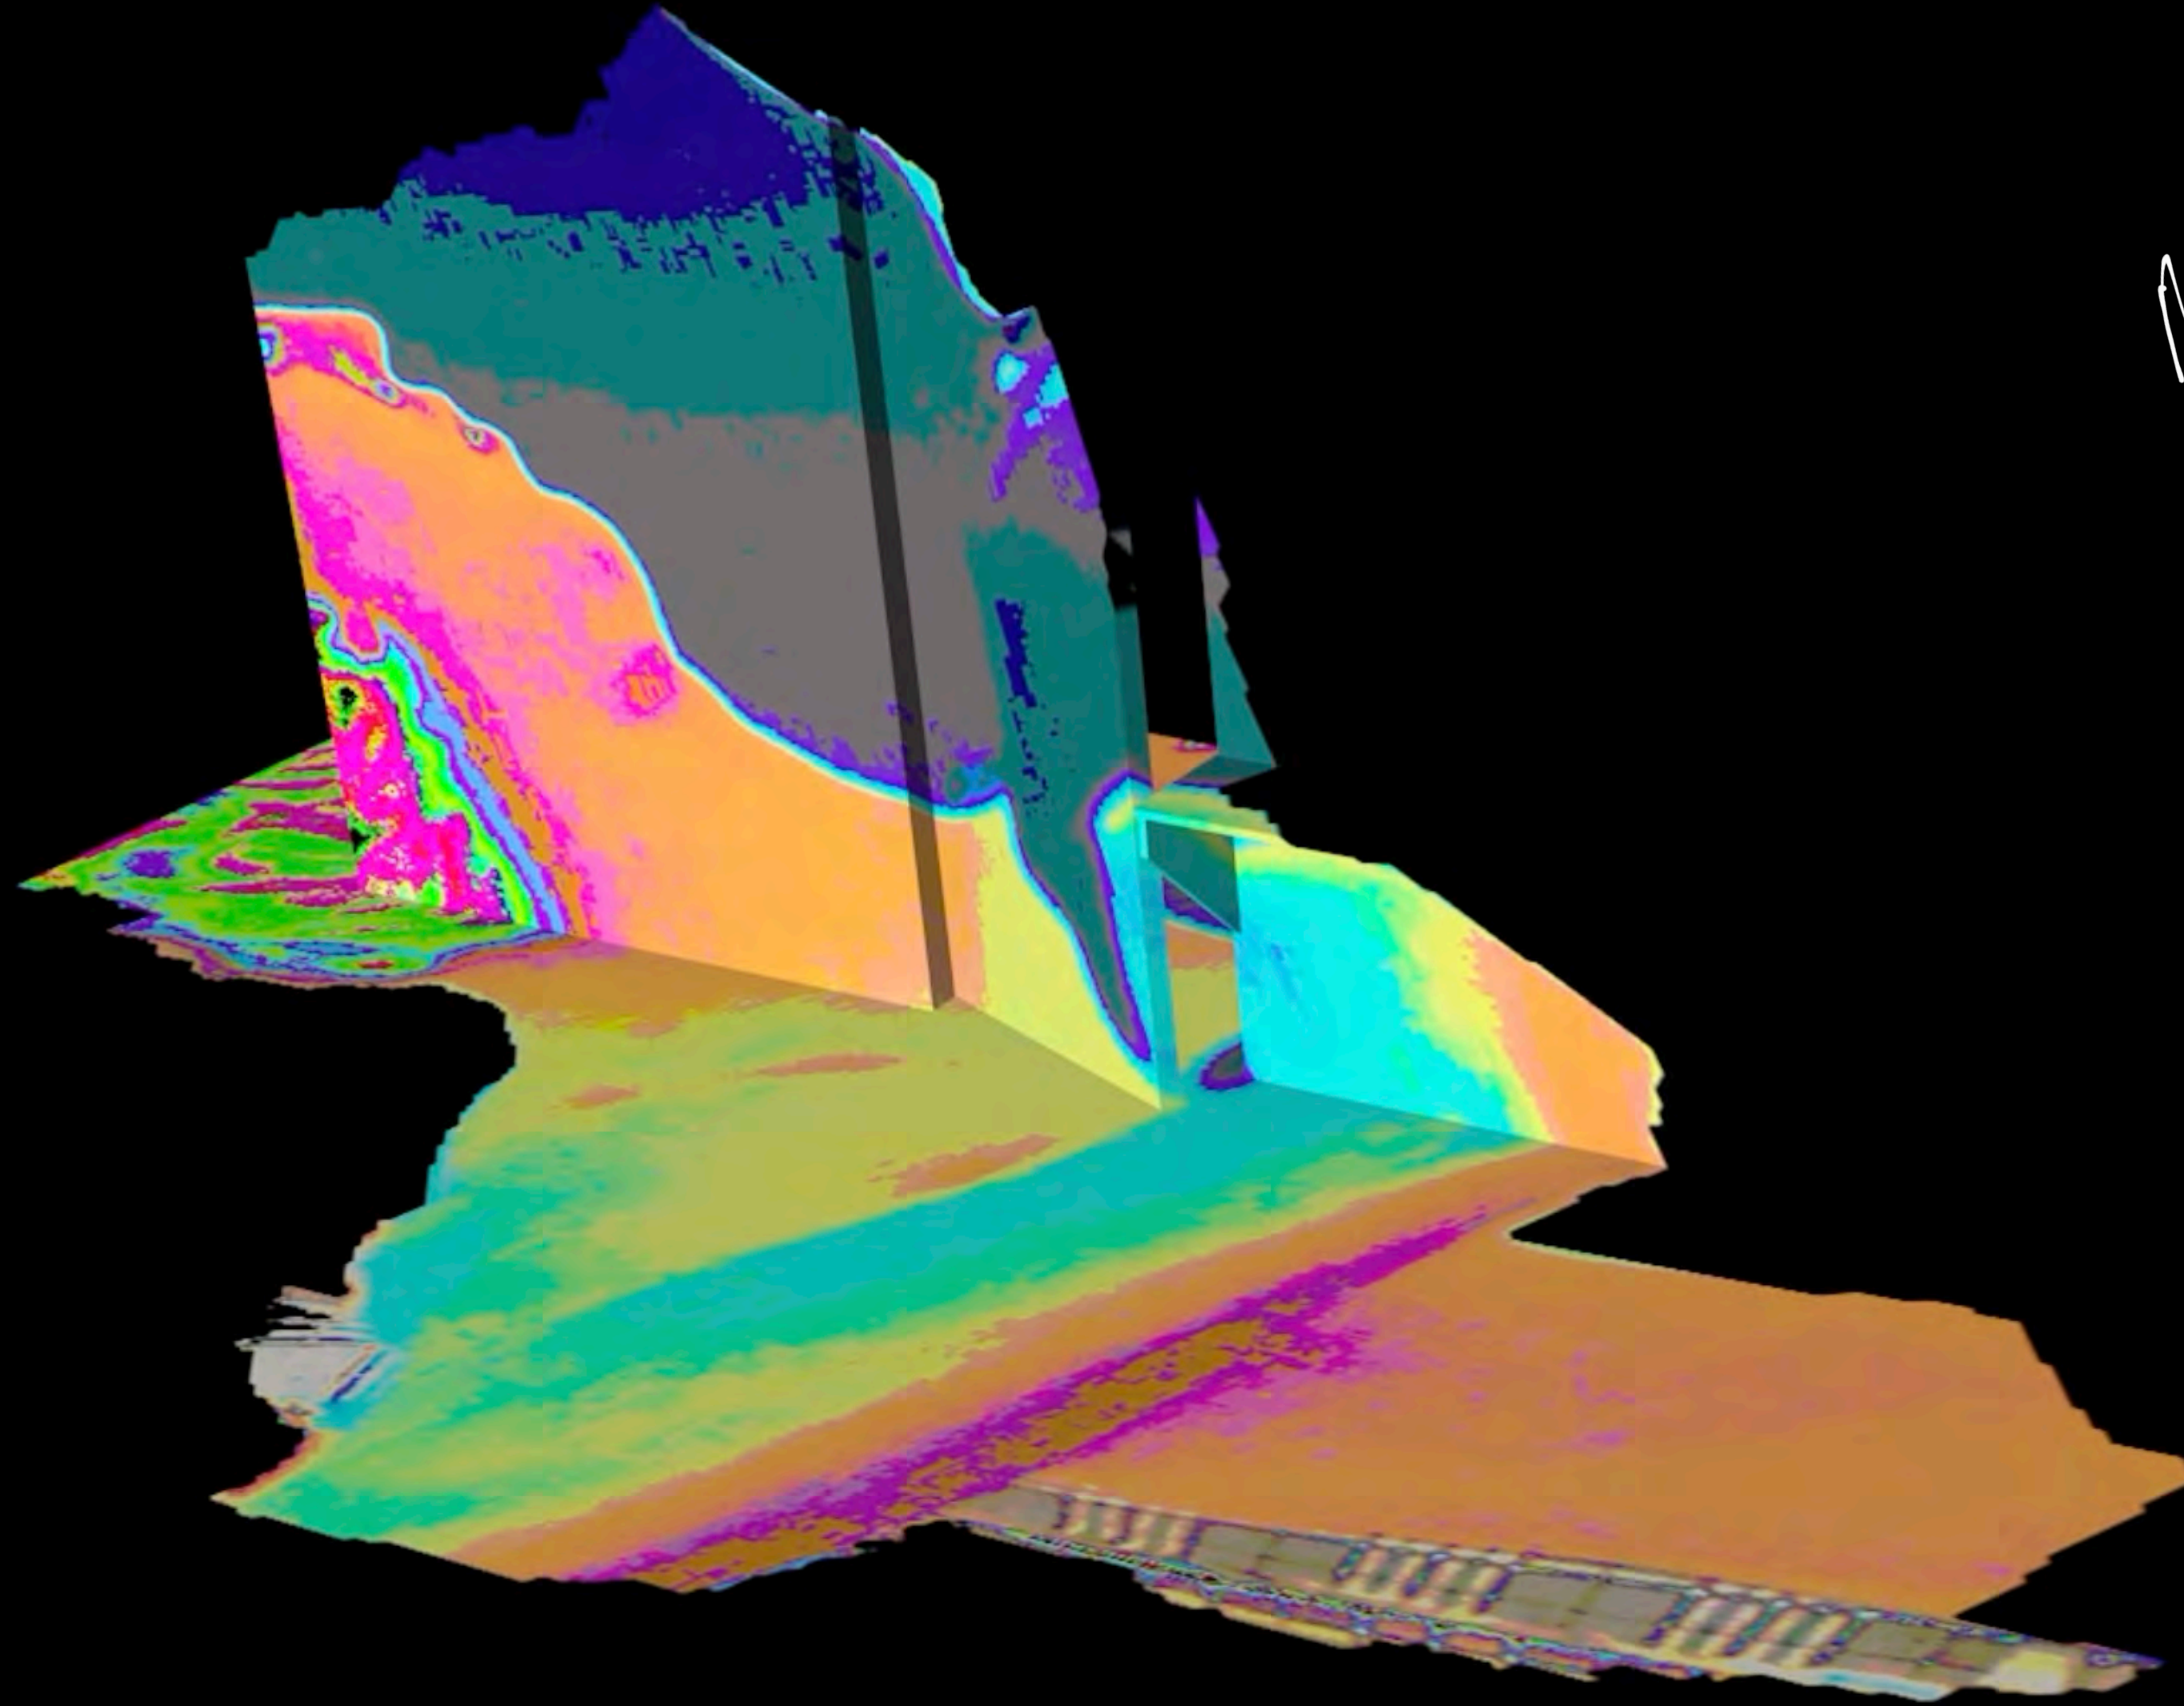

Dwan Lambink

site  
Dwan

Strategy, slow concepts, site and videos  
Creative direction & full production.  
Many thanks to all people involved most notably:  
Joeri Woudstra / Tom

Many many beautiful  
years with the lovely and very  
talented people  
of.
